

LIKE MEN IN WOMEN'S SPACES?

YOU'LL LOVE THE EQUALITY ACT.

THE EQUALITY ACT — WHICH IS IN DANGER OF PASSING BOTH THE U.S. HOUSE OF REPRESENTATIVES AND THE U.S. SENATE — STATES:

“(with respect to gender identity) an individual shall not be denied access to a shared facility, including a restroom, a locker room, and a dressing room, that is in accordance with the individual's gender identity.”

and

“employment, if, in a situation in which sex is a bona fide occupational qualification, individuals are recognized as qualified in accordance with their gender identity.”

The Equality Act defines “gender identity” as “the gender-related identity, appearance, mannerisms, or other gender-related characteristics of an individual, regardless of the individual’s designated sex at birth.”

WE CANNOT LEGISLATE “MANNERISMS AND APPEARANCE” (NEVER MIND “OTHER”)!

Under The Equality Act, men and boys would be permitted entry into ALL spaces currently designated as single sex (including locker room showers), upon the mere declaration of a “gender identity.”

Men would be given positions set aside for women and involving the *intimate care of women and girls*. This would mean that rape victims could not request to be seen by a female professional.

Gender ≠ Sex

Calls, letters, and emails have been shown to be effective in influencing legislation.
